Hi Cassandra,

I will be the second person at EPA using the hard copy. Could we have one hard copy delivered to EPA in SF and one delivered to 650 Capitol?

Thanks and I hope you are well,

Erin

Hi Erin-

I definitely think you want your own hard copy. However, it occurred to me that it shouldn't come here (how in the world would you carry it on the train?)

So maybe you should amend this note to Cassandra and change it to 1 hard copy to SF and 1 hard copy to your office in Sac?

You decide!

Cassandra,

Per our discussion, below is the list of addresses to send hard copies to. These will need to arrive by the 13th. I am cc'ing the folks here so they can double check my addresses and info and make sure I have got it right!

Thanks again.
